

The fall of 2010 will be very exciting at Hazelridge Sports Complex with the Winter sports programs gearing up for the upcoming season. Topping our list of exciting facility improvements is the new heated viewing area. This long awaited project will provide a warm area for families and friends to support their participants in heated comfort! With a new entrance and a brand new look HSC executive is throwing a party with an open house and AGM on Saturday Sept 26th Members and the community are invited to coffee, snacks and public skating for the kids. Doors open at 6:30. Come out and celebrate the new addition!

Winter sports registrations are upcoming as of this publication but if you cannot make the registration dates and would like to have your kids involved in any of the winter programming or are new to the area and need some info please contact Jen at 755-2015 . Registration forms are all available online at our website www.hazelridgesports.ca

Open to everyone is the HSC executive meetings held once a month, the third Tuesday of every month except July & August at the rink. Contact any of the executive on the website and join in!

A big thank you goes out to the Men's and Women's Ball Hockey organizers and Hazelridge Soccer program coordinator Rob Corden as well as all involved parents & kids for active & successful summer programs! A special Thank You go out to Derek King, Doug Murray and the RM of Springfield for their work and effort ensuring all HSC building projects have run smoothly.
