

SUMMER SPORTS

Hazelridge Sports Complex offers a summer soccer program. This is a mixed gender sport. We have had teams in the past for 6 and under, 7 & 8's, 9 & 10's and 14 and under. If numbers warrant we will offer other age groups. Registration takes place in March at the Hazelridge Arena.

You require a family membership for the facility which is \$45 per year. They run from September 1 – August 31. You are required to do \$25 in fundraising. There are usually some things you can sell, some canteen shifts for dog shows or you can buy it out. The cost of the program usually runs around \$50/child.

It's a great form of recreation and a lot of fun to watch!
